

# COMMUNITY POLICY

Aqua Park AD (Action Aquapark & Aqua Nevis ClubHotel) aims to be an organization that makes a difference in the industry by applying efficiently the requirements of Quality, Food Safety and Guest Satisfaction, Occupational Health and Safety and Environmental Management Systems, sustainable environmental practices and expert staff. We have adopted a continuous improvement approach based on legal requirements and to protect the interest of all shareholders.

Aqua Park AD is committed to maintaining a close relationship with the local community, ensuring that any issues relating to the operation of our business are discussed in a full cooperative climate. During our daily operations, we are committed to the following actions:

- ✓ We support the purchase of food and beverage products from local businesses;
- ✓ We actively support the local community through charitable or in-kind donations to schools, groups or initiatives that work to improve the lives of local people, protect the environment and preserve the destination's culture and traditions;
- ✓ We encourage our guests to support the local community;
- ✓ We promote to our guests places of interest in the destination such as restaurants, markets or craft centers to encourage them to explore the country's cuisine, history, culture and traditions while offering a unique sustainable experience;
- ✓ We engage our staff to our policies with trainings, workshops and many activities;
- ✓ In this way we support the local economy and safeguard the local community which is integrated with the unique holiday experience we offer to our guests.

Our Guest Relations will be glad to give you more details concerning our sustainability programme.
